Investigation	All complaints received will be recorded and looked into. If initial enquiries by the Committee indicate reasonably that the concern has no basis, or it is not a matter to be pursued under this Policy, it may be dismissed at this stage by the Committee and the decision shall be documented by the Committee. It is clarified that if the complaint received is in relation to an Improper Practice that involves leakage of Unpublished Price Sensitive Information, the complaint shall be investigated under the UPSI Leak Inquiry Procedure policy in accordance with its terms.
