SPIRIT OF MURUGAPPA

The five lights
The values, principles and beliefs that have always guided us and continue to show the way forward.

Integrity
We value professional and personal integrity above all else. We achieve our goals by being honest and straightforward with all our stakeholders. We earn trust with every action, every minute of every day.

Passion
We play to win. We have a healthy desire to stretch, to achieve personal goals and accelerate business growth. We strive constantly to improve and be energetic in everything that we do.

Quality
We take ownership of our work. We unfailingly meet high standards of quality in both what we do and the way we do it. We take pride in excellence.

Respect
We respect the dignity of every individual. We are open and transparent with each other. We inspire and enable people to achieve high standards and challenging goals. We provide everyone equal opportunities to progress and grow.

Responsibility
We are responsible corporate citizens. We believe we can help make a difference to our environment and change lives for the better. We will do this in a manner that benefits our size and also reflects our humility.

"The fundamental principle of economic activity is that no man you transact with will lose, then you shall not."

Sector outlook – Vehicle Finance business (1/3)

Sector Outlook

- The Heavy commercial vehicle segment had a de-growth of 15% in Q2 FY25 & 6% in H1 FY25. The growth in this segment will be dependent on push in infra spending by the government and normal monsoons.
- The Light commercial vehicle segment had a de-growth of 7% in Q2 FY25 & 1% in H1 FY25 due to a high base effect of previous year and growth is expected to be subdued in the coming quarters.
- The Small commercial vehicle segment had a de-growth of 14% in Q2 FY25 & 8% in H1 FY25. The current trends will continue going forward this year.

Chola's Position

- We will keep a close watch on this segment in line with industry movement and our exposure is at a minimal.
- We will continue our focus in this segment in line with rural demand and uptick in industry volume.
- Our financing in this segment will be based on a cautious approach considering viability and cash flows of end users.

Sector outlook – Vehicle Finance business (2/3)

Sector Outlook

- The Passenger vehicle (Car & MUV) segment had a de-growth of 2% in Q2 FY25 & flat growth in H1 FY25. The segment has been witnessing consecutive growth trends over the last two years and a marginal slowdown in sales numbers is expected.
- The Two-wheeler industry had a growth of 13% in Q2 FY25 & 16% in H1 FY25. This segment is expected to maintain growth trends supported by festive demand and rural cash flows.
- The Used vehicle industry is poised to grow due to the increase in price of new vehicles over the years and increase in organised financing options.

Chola's Position

- Our focus in this segment will be in line with customer demand and retail volumes in rural areas.
- Our focus in the two wheeler segment will be driven by portfolio quality and profitability.
- We will be a key financier in this segment with clear focus on collections.

Sector outlook – Vehicle Finance business (3/3)

Sector Outlook

- The Construction Equipment segment witnessed flat growth in Q2 FY25 & 2% growth in H1 FY25. Volumes in this segment is directly impacted by government spends in infra, roads, construction and improvement in mining activities.
- The Tractor industry had a marginal growth of 1% in both Q2 & H1 FY25. The growth in second half is directly attributed to normal monsoon and kharif output.

Chola's Position

- Our exposure in this segment is around 6% at a portfolio level and we will continue to build a quality book.
- We will keep a close watch on this segment and our financing will be based on kharif yields and rural cash flows.

Auto Industry Outlook

Trend in Domestic LCV Sales

Trend in Domestic SCV Sales

- Replacement demand, last-mile transport requirements and positive macroeconomic environment.
- Stronger demand from consumption driven sectors and E-commerce based companies.
- Demand for Pickups to increase in the long term due to higher flexibility in usage over sub one tonne vehicles.
- Bus Sales to be supported by growing urban population, demand from schools/ corporates and increased inter-city travel.

Source: FY22 to FY28 numbers are from SIAM & ICRA

Auto Industry Outlook

Trend in Domestic HCV Sales

- Improved industrial activity, steady agricultural output and the government's focus on infrastructure will aid growth.
- Pick up in construction and mining activities over the long term would drive demand.

Trend in Domestic Car & MUV Sales

- Higher disposable income and introduction of newer models to aid long term demand.
- Increase in rural demand and growing penetration in tier III, tier IV towns will back stable growth.

Loan Against Property: Industry outlook

Sector Outlook

- Care rating expects NBFC overall credit to grow at 17% for FY25 due to funding constraints. While LAP segment is poised to grow at 22-24% in the same year as per CRISIL MI&A Research.
- ICRA Research forecasts that Small ticket LAP (<15 lacs ticket size) loans by NBFCs are poised to expand at a healthy 20-25% over the next 5 years, on back of a large unmet credit demand in the country.
- CRISIL Market Intelligence & Analytics Report on NBFC sector expects asset quality of MSME segment to remain range bound in near term, given the stress in asset quality during the previous years

Chola's Position

- We continue to focus on retail customers especially in smaller towns and rural areas. The key focus is to increase market share backed by consistent disbursement growth and collections.
- We are capitalizing on Chola's pan India geographical presence by going wide in Tier III and Tier IV markets to improve margins, while continuing to hold significant presence in Tier I and Tier II markets.
- Our asset quality has shown steady improvement due to our strengthened collection & legal process. The stage 3 book has shown a consistent improvement.

Note: Home Loans includes Affordable LAP

Home Loans - Industry outlook

Sector Outlook

- The underpenetrated market and the government's thrust on "Housing for all" are likely to support growth going forward. On-book portfolio of AHFCs are expected to grow by 22-24% in FY2025.
- GNPA's of AHFCs improved marginally in FY2024; marginal uptick is expected as portfolio seasons. Good collection efficiency is likely to keep delinquencies range-bound.
- Overall cost of funds is expected to remain high due to the impact of the elevated systemic rates. As entities continue to expand their network, the operating ratios will remain elevated but shall stabilize at the current levels.

Chola's Position

- Chola continues to leverage its strength in penetrating to smallest villages and towns. Chola will focus on penetrating untapped rural areas across India and provide accessibility to home loans for all.
- Chola continues to pursue legal recovery for the higher bucket portfolio & is also continuously improving collection efficiencies through advanced analytics & digital-led collections.
- Chola continues to pursue profitable growth through deep tier expansion with focus on low-cost branch operating model, process optimizations, & elimination of inefficiencies across all functions to ensure margins are sustained. Chola will focus on optimizing profitability through differential pricing model based on customer risk profiling.
