3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Highlights:

Chola has delivered best-ever disbursements, collections, and profitability in Q3 FY23. Chola has gained market share across product segments in Vehicle Finance and other business units. Sales of commercial vehicles are expected to come close to the pre-pandemic peak of over a million units in FY23 due to improved fleet utilizations, strong replacement demand and pick-up in road construction projects across the country. Despite high inflation and high interest rates, strong festive season sales and workforce returning to metro cities has helped drive growth. The housing market has also been very strong.
