### 8K Miles eyes US co; to move SEBI for stock slide

Cloud computing firm 8K Miles Software Services is planning to acquire a US-based healthcare player in the cloud space and is likely to close the deal over the next few months, a PTI report quoting its Chairman and Managing Director Suresh Venkatachari, said. On the massive stock price slide, Venkatachari, who suspected 'foul-play by vested parties', said the company will be approaching the Securities and Exchange Board of India soon with a formal complaint.
